

Dear Coach:

Congratulations! You have volunteered for a position which receives no pay, very few compliments, the opportunity to be out in the cold or rain, and the chance to be in charge of a dozen or more youth running in a dozen or more directions.

Seriously though, we would like to thank you for volunteering to coach in our program. We on the Softball and Baseball Commission feel we have a quality program and it is the result of quality volunteers such as yourself.

We understand quite well that all of us have a "time shortage" on our hands and there are many other chances for us to use our free time. Therefore, we are extremely honored to have you choose our program to devote your time, energy, and talents.

Finally, we hope for whatever reason you decided to volunteer - a chance to work with youth, to get some exercise, to stay active in the community, or whatever - that we will help you reach your goal. If you need assistance in any way, don't hesitate to ask.

We look forward to working with you and thank you again for your support, dedication and energy.

Sincerely,

Mt. Gilead Softball and Baseball Association
