

Dear Parents:

Your son/daughter has been assigned to my team for the 2005 season. We will be working on becoming a competitive team. My goal as a coach is to teach your kids the fundamentals of baseball and improve their baseball skills that they already have. Another important aspect I would like to teach is sportsmanship and how to get along with other players and become a close team. I encourage you to support our team as well as our Mt. Gilead Softball & Baseball program, which is made up of parents who donate their time so that we can have a summer program for our children. If anyone is interested in helping out with this program please contact me. I encourage you to support our team by coming to practices and all games. If your child can not attend a practice or game, please let the coach know ahead of time. I look forward to a pleasant experience for the children and your support in helping them achieve their goals to be a better player and meeting new friends.

Lets have fun,
Coach
